

What is the PTSO?

The North Shore Middle School Parent Teacher Student Organization (PTSO) is a 501(c)3 non-for-profit group comprised of parents, students, faculty and administration working together to enhance the Middle School experience for each child.

The PTSO is a vital part of the school community! Every year we participate in school events, fundraise and help support various events, teacher mini-grants and student club grants.

You're Invited

Join us at our monthly meetings! We invite you to hear about school news, student activities, speakers and upcoming events.

**Your ideas, questions
and comments are welcome!**

Each meeting generally lasts less than an hour and includes a brief update from each Grade Representative, the Educator Liaison and Principal Dennis. In addition, we have student representation at each meeting. Last year, this included club and student presentations, recognition and grant requests.

Local organizations are invited to give a very brief report on their group's activities. Monthly this includes SEPTA, occasionally it may include the Legislative Action Committee (LAC), Arts Angels, Booster Club and Viking Foundation.

**Yes...This all takes place
in less than an hour!**

You'll have a chance to win raffles too!

*Come socialize with parents,
